

# CSI CAMP

# CRASH SCENE

# INVESTIGATION

## 5 DAY SUMMER CAMP

## Rising 8<sup>th</sup> & 9<sup>th</sup> Graders

**LEARN – FUN – FREE**

SCIENCE – MATH – TECHNOLOGY  
TEAM WORK – CRITICAL THINKING

***Camp Information & Registration:***  
***[ctr.utk.edu](http://ctr.utk.edu)***

***Contact Tammy Enix [tenix@utk.edu](mailto:tenix@utk.edu)***  
***Limited space availability!***

Developed/Sponsored by:

**University of Tennessee**

Collaborative Sciences Center  
for Road Safety (CSCRS)

***Hands on Camp will let you:***

- ✓ ***Experience traffic crash investigation and forensic science with an expert in the field.***
- ✓ ***Learn the secrets of how CSIs gather scene evidence, reconstruct crashes, assess driver actions, find roadway and vehicle defects, and much more.***
- ✓ ***Solve a crash mystery; witness a mock trial; use modern CSI tools – like GPS, computer apps, and photography; and learn the fun way!***

Daily Continental Breakfast,  
Snacks and an  
End of Camp Luncheon will be  
provided.

**July 9-13, 2018**

**9 a.m. - Noon**

**National Transportation  
Research Center (NTRC)  
2360 Cherahala Blvd.  
(Off Hardin Valley Road  
@ Pellissippi Pkwy.)**
